

# School Accountability Report Card Reported for School Year 2009-10 Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs and its goals.

Nestled on the western shore of Humboldt County, amid the towering redwood trees of northern California is South Bay School with a population of 148 students. South Bay School is one of two K-6 schools in the South Bay Union School District. Both schools are located south of Eureka with a population of 28,000, and 280 miles north of San Francisco. South Bay School students (70% free and reduced lunches) live in neighborhoods that range from economically disadvantaged to upper middle class single-family dwellings. The neighborhoods are spread out through the district of 49 square miles.

The economic decline of the timber and fishing industries has resulted in higher unemployment rates than statewide. Presenting a challenge for families as they seek to obtain basic necessities and relocate for employment reasons. The South Bay Union School District has experienced a sharply declining enrollment, however this trend appears to be stabilizing with the current enrollment close to prior years. South Bay School population boasts a strong spirit and hard work ethic with individuals coming together to meet the challenges. The staff strives to be exemplary role models of nurturing, caring individuals.

We offer extended educational opportunities until 6:00 p.m. each day through our EXPLORE after school program. This allows about 50% of our students to receive help with their homework, recreational and educational activities that better prepare them to meet the demands of the State.

**Academic Content Standards**

Our mission statement summarizes our goals for all our children: Prepare today’s students to succeed in tomorrow’s world by doing the following:

- Provide a safe and nurturing school environment
- Instill the basic skills necessary to prepare students for secondary education
- Instill in students a sense of global awareness and civic responsibility

Instill in students problem solving skills in a technological world and a desire to become lifelong learners

**Opportunities for Parental Involvement (School Year 2009-10)**

This section provides information about opportunities for parents to become involved with school activities.

The PTO sponsors many activities throughout the year: two pancake breakfasts, Apples for Educators (appreciation for staff), Annual Carnival; Holiday Festival – just to name a few. Members meet on the third Thursday of each month at alternating school sites. Parents also volunteer within the classrooms and are members of our School Site Council. The PTO President is Lisa Hall, and can be reached at 599-9598.

### III. School Climate

#### School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

Teachers and administrators from both school sites have participated in School Safety Plan Trainings at Humboldt Office of Education and are actively updating and revising the present Safety Plan to reflect necessary changes. The Safety Plan will be completed by the end of the year.

#### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

| Rate               | School  |         |         | District |         |         |

### IV. School Facilities

#### School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

South Bay Elementary recently repaved the playground and repaired bathrooms in wing 3 of the school. The repairs on the fire damaged classrooms in wing 2 were completed in March 2010. A second arson fire raised our computer lab in January, 2010. The plan is to rebuild the lab in an existing classroom.

### School Facility Good Repair Status (School Year 2010-11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

| System Inspected   | Repair Status |      |      |      | Repair Needed and Action Taken or Planned |

### V. Teachers

#### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

| Teachers   | School  |         |         | District |

### Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2009-10)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2009-10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title   | Number of FTE Assigned to School | Average Number of Students per Academic Counselor |
|---|----------------------------------|---|
| Academic Counselor                                  |                                  |   |

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Level       | Total Expenditures Per Pupil | Expenditures Per Pupil (Supplemental) | Expenditures Per Pupil (Basic) | Average Teacher Salary |
|-------------|------------------------------|---------------------------------------|--------------------------------|------------------------|
| School Site | 8,180                        | 2,668                                 | 14,958                         | 54,985                 |
| State       | ---                          | ---                                   | \$5,681                        | \$57,352               |

### Types of Services Funded (Fiscal Year 2009-10)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

South Bay Elementary provides identified students with reading and math intervention services. Trimester/annual assessments identify students in need of additional instruction. Family support team meetings are held each trimester and student needs are identified and a plan is made to meet their needs. Additional support is provided in our after school program with homework help, enrichment, social skills and recreational activities.

### Teacher and Administrative Salaries (Fiscal Year 2008-09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category                                      | District Amount | State Average For Districts In Same Category |
|---|-----------------|--|
| Beginning Teacher Salary                      | \$39,303        | \$38,905                                     |
| Mid-Range Teacher Salary                      | \$51,605        | \$56,504                                     |

| Percent of Budget for Teacher Salaries        | 38.0            | 37.9   |
| Percent of Budget for Administrative Salaries | 6.3             | 6.8  |

## IX. Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

*Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

### California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pfi/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

| API Rank        | 2007 | 2008 | 2009 |
|-----------------|------|------|------|
| Statewide       | 1 *  | 1 *  | 1 *  |
| Similar Schools |      |      |      |

### Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

| Group                            | Actual API Change |         |         |
|----------------------------------|-------------------|---------|---------|

### Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

| AYP Criteria                              | School | District |
|---|--------|----------|
| Overall                                   | No     | No       |

### Federal Intervention Program (School Year 2010-11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

## XI. Instructional Planning and Scheduling

### Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

---

Staff development is held during 3 preservice days at the start of the school year. The district also has minimum days each Wednesday when they collaborate and focus on professional development. The district also provides support and consideration for staff development requests. This year was focused on improved instructional strategies in writing.
